SUMMER PLT MEETINGS - UPDATE

Please can you make a note of the date for summer PLT Network Meetings:-

Monday	11th July Staindrop/Teesdale. Teesdale School 4-5pm
Wednesday	13th July 4 - 6pm Wolsingham/Parkside. Venue to be confirmed.
Thursday	14th July 4 - 6 pm Bishop Auckland Cluster. To be held in the conference room at King James I School.

It is vitally important we have ALL SCHOOLS attending the meetings this summer. Not only to plan for next year but to discuss the new arrangements around the SLA, those schools not taking up the option will still benefit from attending.

Non-attendance will mean schools will be ill prepared for the Autumn term which we would like to hit the ground running to ensure things progress smoothly.

If you do not attend, there is the possibility decisions which may affect your school will be made without you.

TRI-GOLF FESTIVAL

The Partnership has arranged to use the facilities at Crook Golf Club to run a tri-golf event, this will happen on Wednesday 6th July 2011.

Schools interested in participating should contact Lee Holloway asap for more details.

BIKEABILITY

Any school with the flexibility to accommodate a bikeability tutor between now and the end of summer please contact Lee Holloway.

The Partnership now has an in-house Bikeability instructor who can tutor a maximum number of 6 pupils through levels one and two of the Bikeability Scheme.

Contact Lee for further details asap.
